ADVENTURES

We invite you to enjoy the solitude of the remote range land up on the continental divide amongst the varied landscapes, wide open plain and the diversity of the mixed grass prairie.

**Join us for a trail riding adventure as we explore the cultural history of this grasslands area with special attention to the living legacy of the ranching way of life.**

Horseback provides the perfect view, showcasing the plants and wildlife of this mixed grass prairie.

Enjoy our western hospitality and gain an understanding of ranch operations and how ranch life has adapted over the years.
